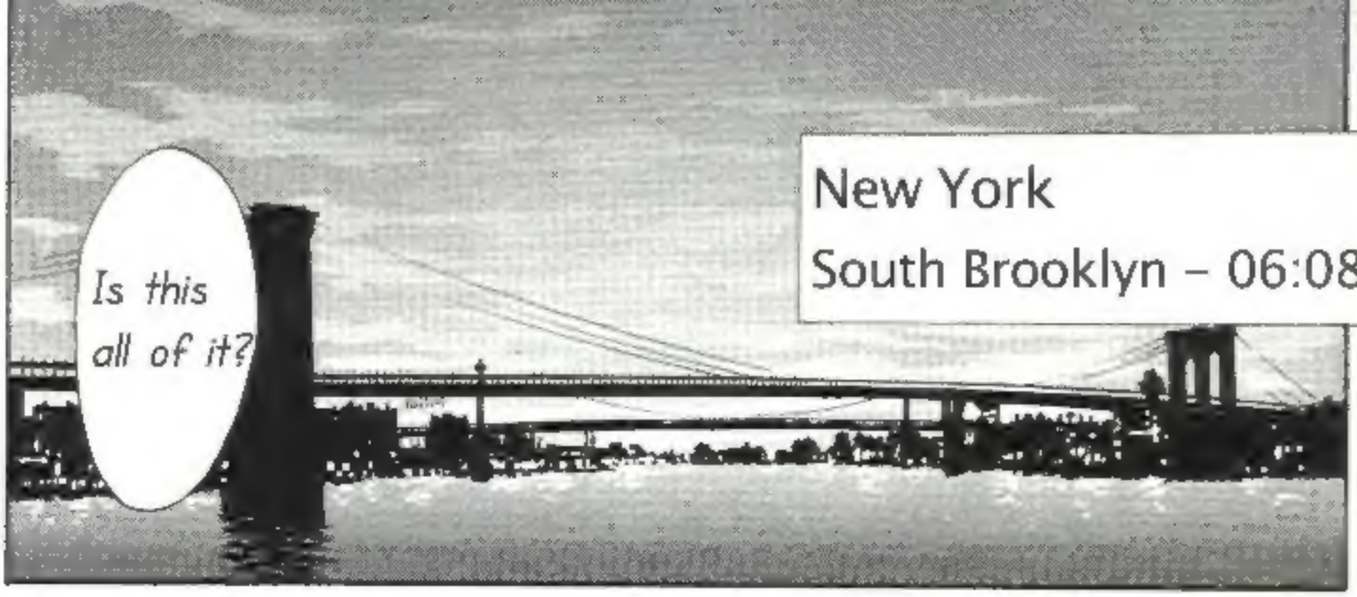
CHRNO CRUSADE



Is this all of it?
New York
South Brooklyn – 06:08pm

Even if the coast guard catches us, these things look like craft works.
Geeze... you're shivering too much.

But it just makes my hunt that much more enjoyable.
How impressive to see a bold smuggling act...
Who... Who are you?!

Maybe it's afraid of me...

!!

Impossible! The seal should have been perfect!

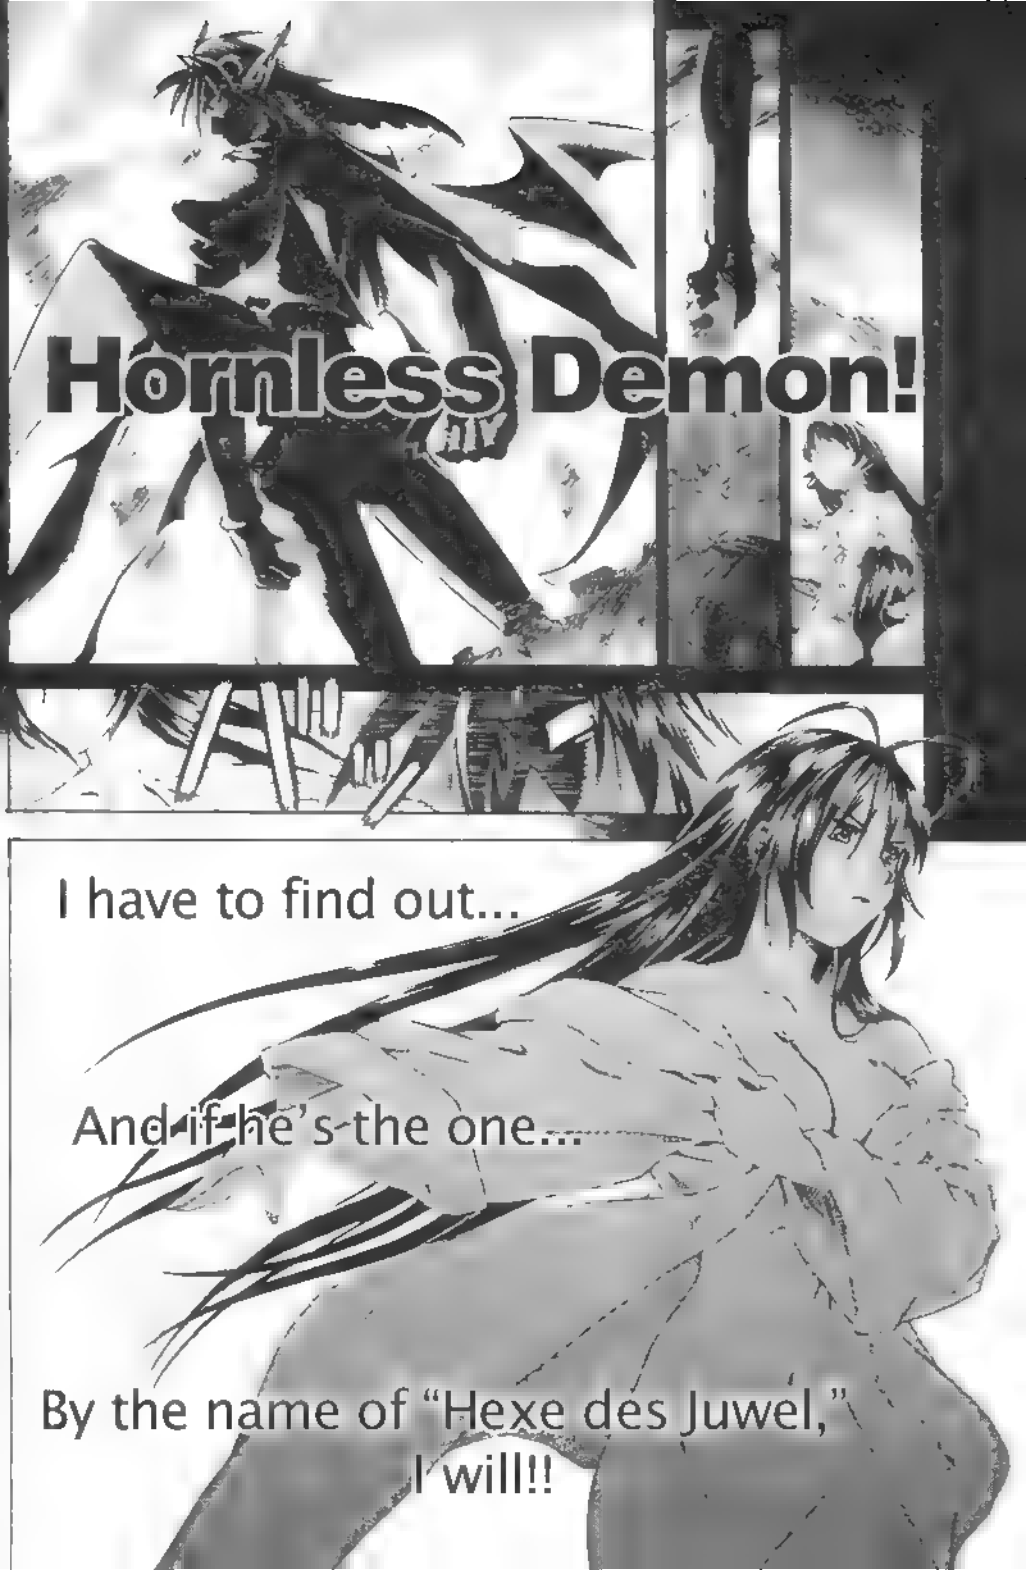
「Revenger」



Hornless Demon!
XIV
I have to find out...
And if he's the one...
By the name of "Hexe des Juwel,"
I will!!

Weren't you supposed to go to the west coast?

Though I thought you had already left.

"Hexe des Juwels"... She's pretty well known. There's not many bounty hunters who can compete on their own.

Stay back!

Stay back please!

Father there is

Very well I

Haha...

Well... the car is kinda...

DO YOU KNOW HOW MANY CARS YOU'VE DESTROYED?! STOP THIS IMME-DIATELY!

I guess no new car then. We better go now.
Wait, Rosette! What about that report?
Oh, c'mon.... Gimme a break! I helped out with this mess.
Asmana!
What did Sister Kate have to say?
she told us to head to Washington by train.
Well, excuse me...
Daammit! This is all her fault!
Bear with it Besides, I had to stay awake all night, and this police car will leave soon.
Ur.. but I'm still sleepy...

What? I came to testify on this incident.
Where were you all this time?! When I came back, you were gone!
I was after the smugglers, but it seems that they got away...
And I was out here working all night!
Girl
Then I went back to the hotel and took a shower!
Oh, by the way...
AHH!
When did YOU get here?!

Could you all come with me?
Especially you.... boy.

Father! Over here!
Rosette! The report!!
Geeze...

This is.....
!

Well...
Did you find any trace of the smuggl-ers?

Your name is Chrno... Right?
Demons are cruel and cunning.
What I need to ask is
Once I find out about him..
I won't hold back!
It's about you, but...

H- HEY!
Yaire not listenng!!
Here ya Gd Vay eat well for yar brekf -fast!
Wan Thank yai
We've not had break- fast, yet.
Here.
It's more delicious when we eat together.
.....
It's horrible.

Real smoked wurst tastes more like...
what's with you?
Hey, lady Quit complaining while eating!
I'm Sorry!!
The bread is dry. The vegetables are old, and most of all the sausage isn't good!
she said
When I was a child. I'm surprised you noticed.
I came to America before the Great War...
Did you live in Germany?
By the way... I noticed you have an accent.
Great War = World War I
It has been... at least a decade... since I started...
...to find someone.
I've had very little evidence thus far...
However...

SNAP

Didn't your mom teach you to listen to others?

Now be quiet!

You know... I don't care, so why don't you just get to the point?

ﾅﾗﾗﾗ

ｱﾘｯ..!

R... Rosette...

If you're not going to explain, then we're leaving!

Stop being so vague!

Spit it out already!

Wha...

This is why it's taken you a decade! I'm surprised you've not gotten tired of it already!

Rosette... That's enough.

ﾎﾟﾝ..

Year after year...
To continue searching for someone...
You and I both know how it feels...
Gee... You're making me feel like the bad guy here...
I know...

Ahh! Are you alright, Sister?
Aah! Rosette?!
that...
AGH!
キャ
Grr... why you...

Uwahh! The sister's upset!
I'll teach you how to throw a ball!
DAMN KIDS' GET BACK HERE!

Sorry... About what Rosette said..
And I know she's sorry as well...

Like this
I swear... She's not very meek...

I hope you can find that person soon...
When a person can only focus on one thing...
It is proof that their dreams are strong.
So...
A demon...
Saying such sweet words...
This boy...

No!

No

Could I be wrong?

Is it not him?

Huh?

Wait...

Normally, there aren't demons without them!

I've sought... A demon's horns are organs for absorbing astral energy

A demon!

I'm not looking for a person!

KILLED MY FAMILY!!

BURNED MY HOUSE!

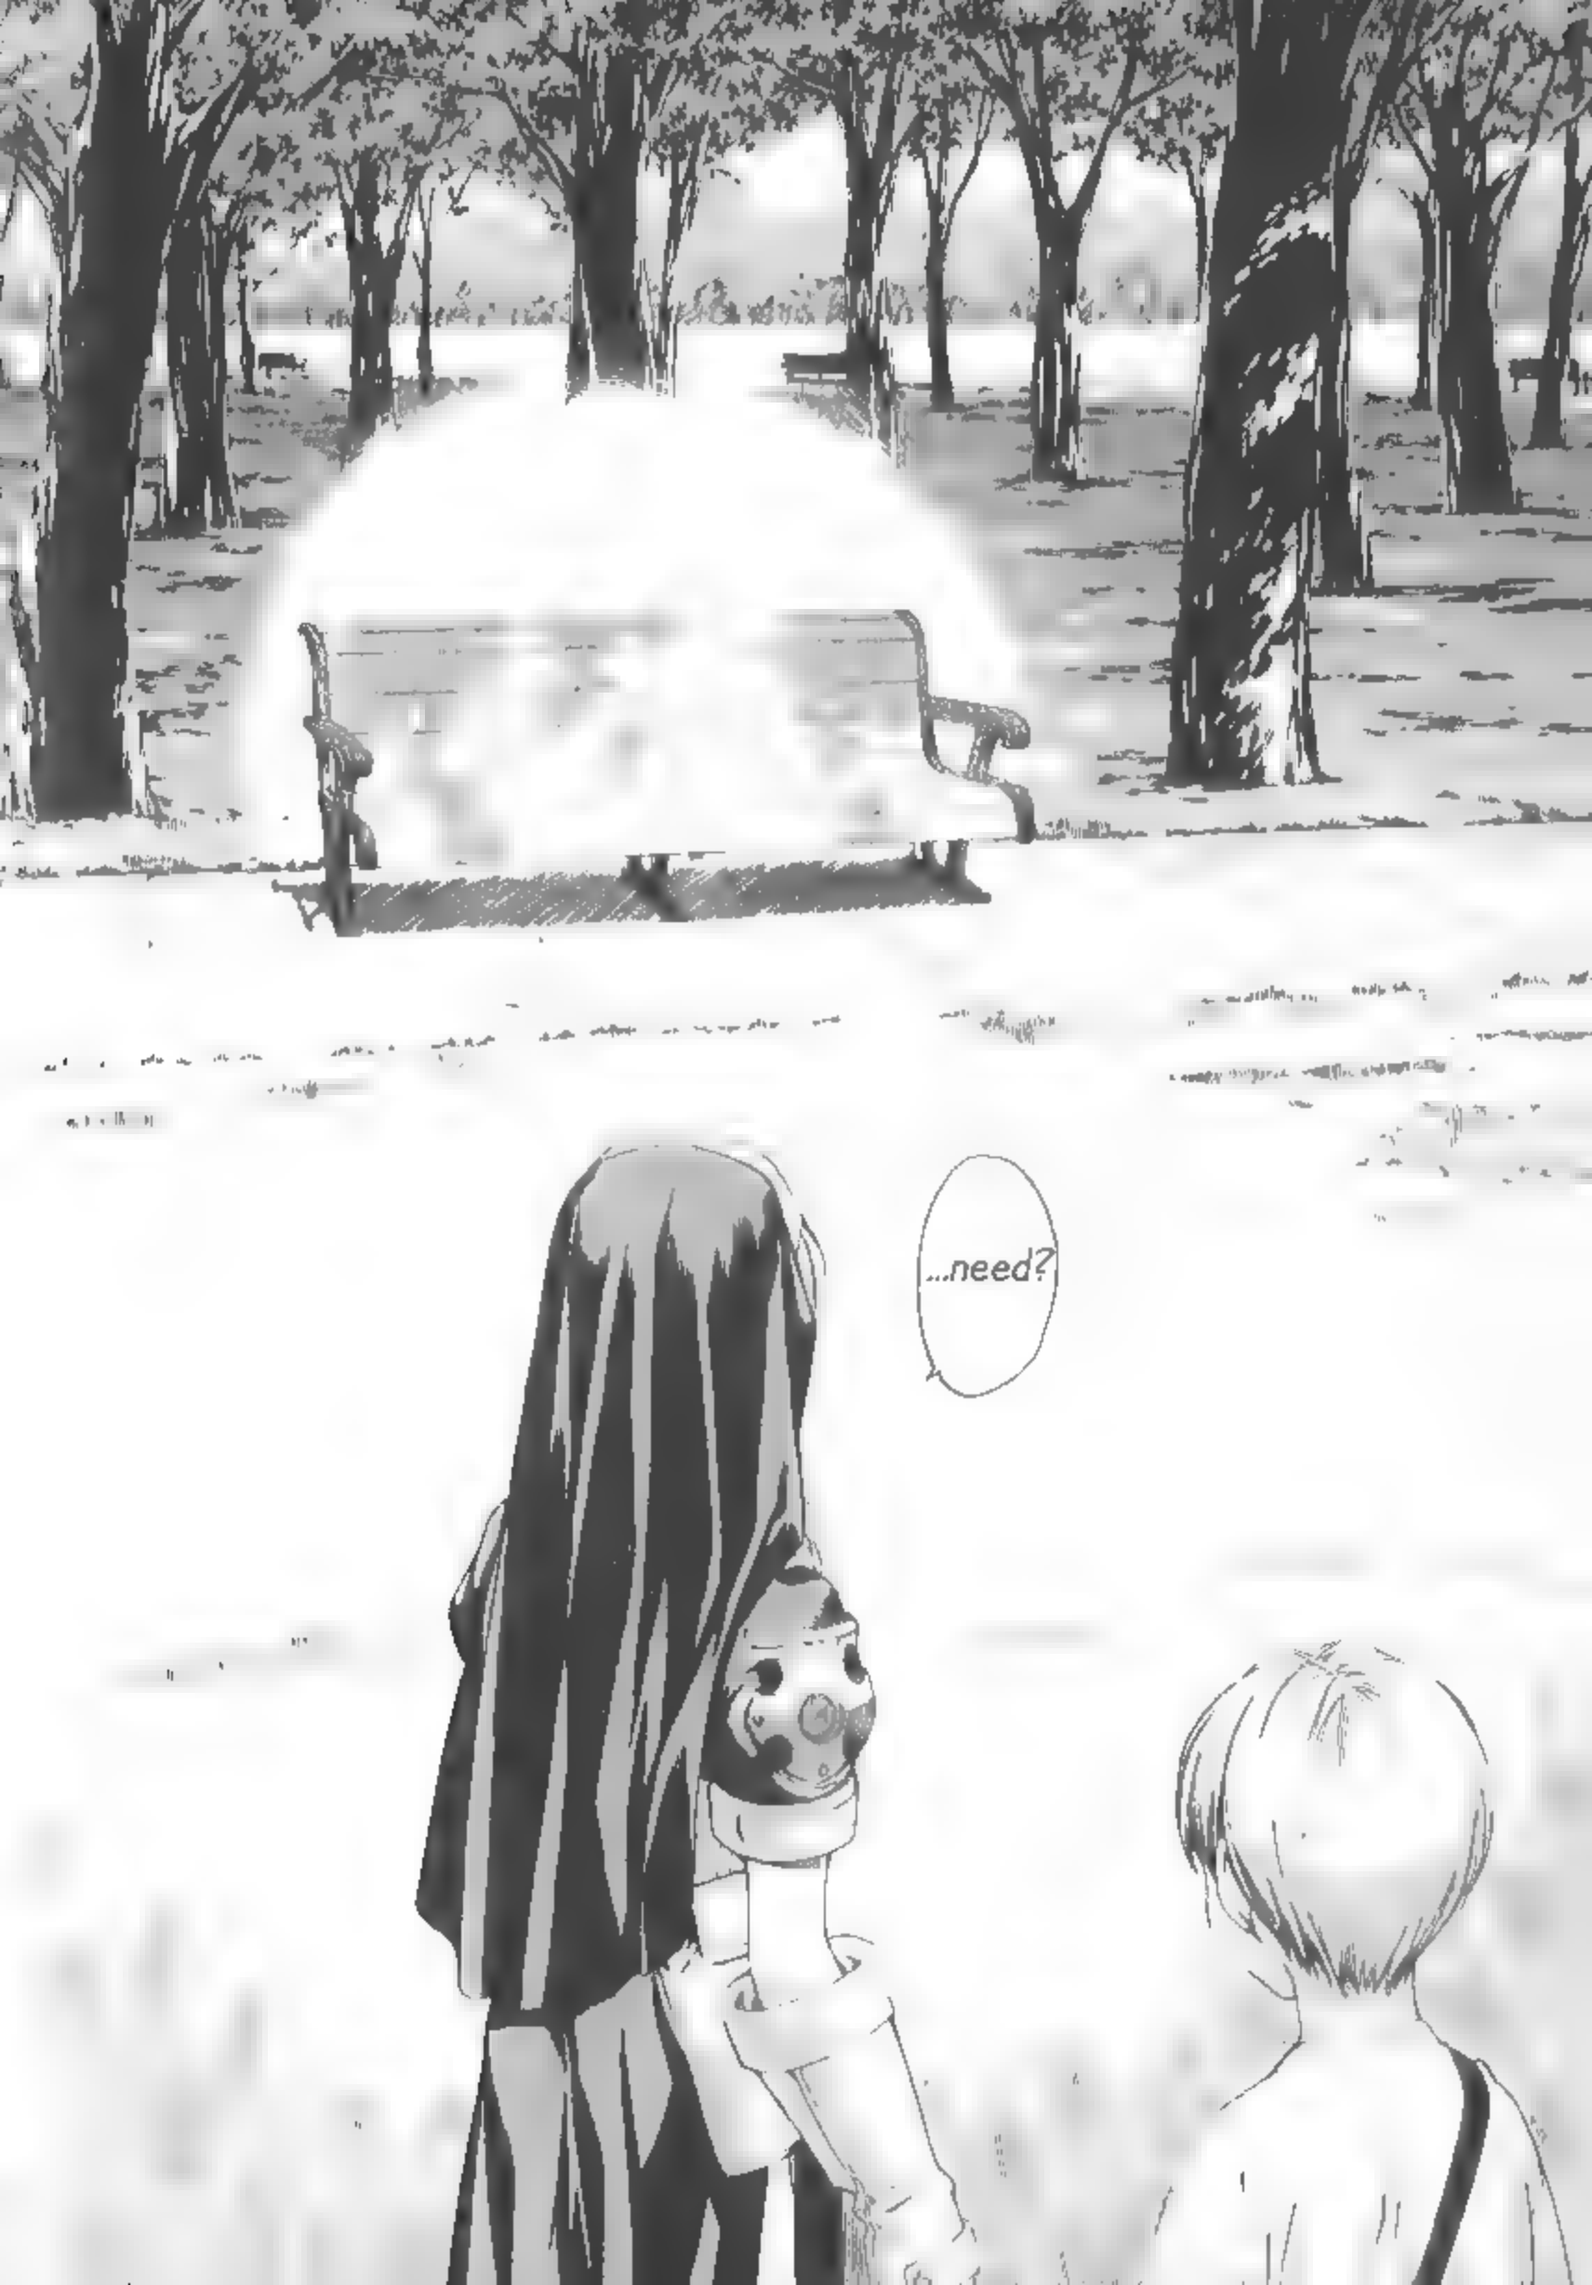
THAT DEMON 10 YEARS AGO!!

TOOK EVERY-THING FROM ME!

You are the target of my revenge!
"The hornless demon!"

So... What is it you...
Ha ha
I gotta be careful. I was having fun again...

teach us more!
No. I have to go now



...need?

What? They were here... right?
Chrno?
You'll pay!
You'll pay...

What's going on?! What... What did you do?!
We... were at the park... right?!
Not me...
...we have been trapped by someone!
It would seem that..

These... are from yester-day?
I see.
I understand now
It must be revenge from the smugglers. How stupid! By now they're..
The Nameless Pharaoh's Tomb!
.the ones who schemed this!
This is..

ACT-17

「信頼-rely on-」

That's what the report by the British Museum says.
The Pharaoh had been assassinated. Due to his act of abusing the sealed curse, though, he was regenerated along with his evil consciousness
Then these zombies are...
Mummies. This is the result of the curse.. And his servants of the undead.
Pretty disgusting, how he transformed them...
It seems that his anger is turned towards us.
Thou... shalt pay for ...the conse- quences.
...to try...
to use me!

However...
It just seems like we need to defeat them first!
Laden!
!?
What?!
I can't summon?!
It may be caused by his field!
This dimension blocks everything from the outside!

ah...
...
ah...

NOOOOOOOO!

Chrno... are you over there?

PLEASE WAIT!
So he really is a...
This fight is un- believable.
Ah!
There must be some sort of mistake! I... have only known him for half a year...
Though normally Chrno is kind... very kind and...

I was too focused on him!
Great...
A mistake from a pro-fessional...

I'm sorry that I scared you...
Chrno... you're back to normal!
Rosette is going to be upset...
naha
Why did you save me? I said you were my vengeance...
And now... you're all hurt...
This is nothing...
Since I'm not human.
And you saved Asmaria...
And...

I'm fed up...
I'm tired of seeing others die in front of me...
...and not being able to do anything about it!
I don't know now...
What is the truth...?
But..
He is...
Very...
Different from him....

..we could do something about the field!
Dammit! if only
What?!
Found you!

Now! I can...
Yes! The field is breaking!
You won't get away!
You won't get away!
RITTER JUWEL!
Erscheine!

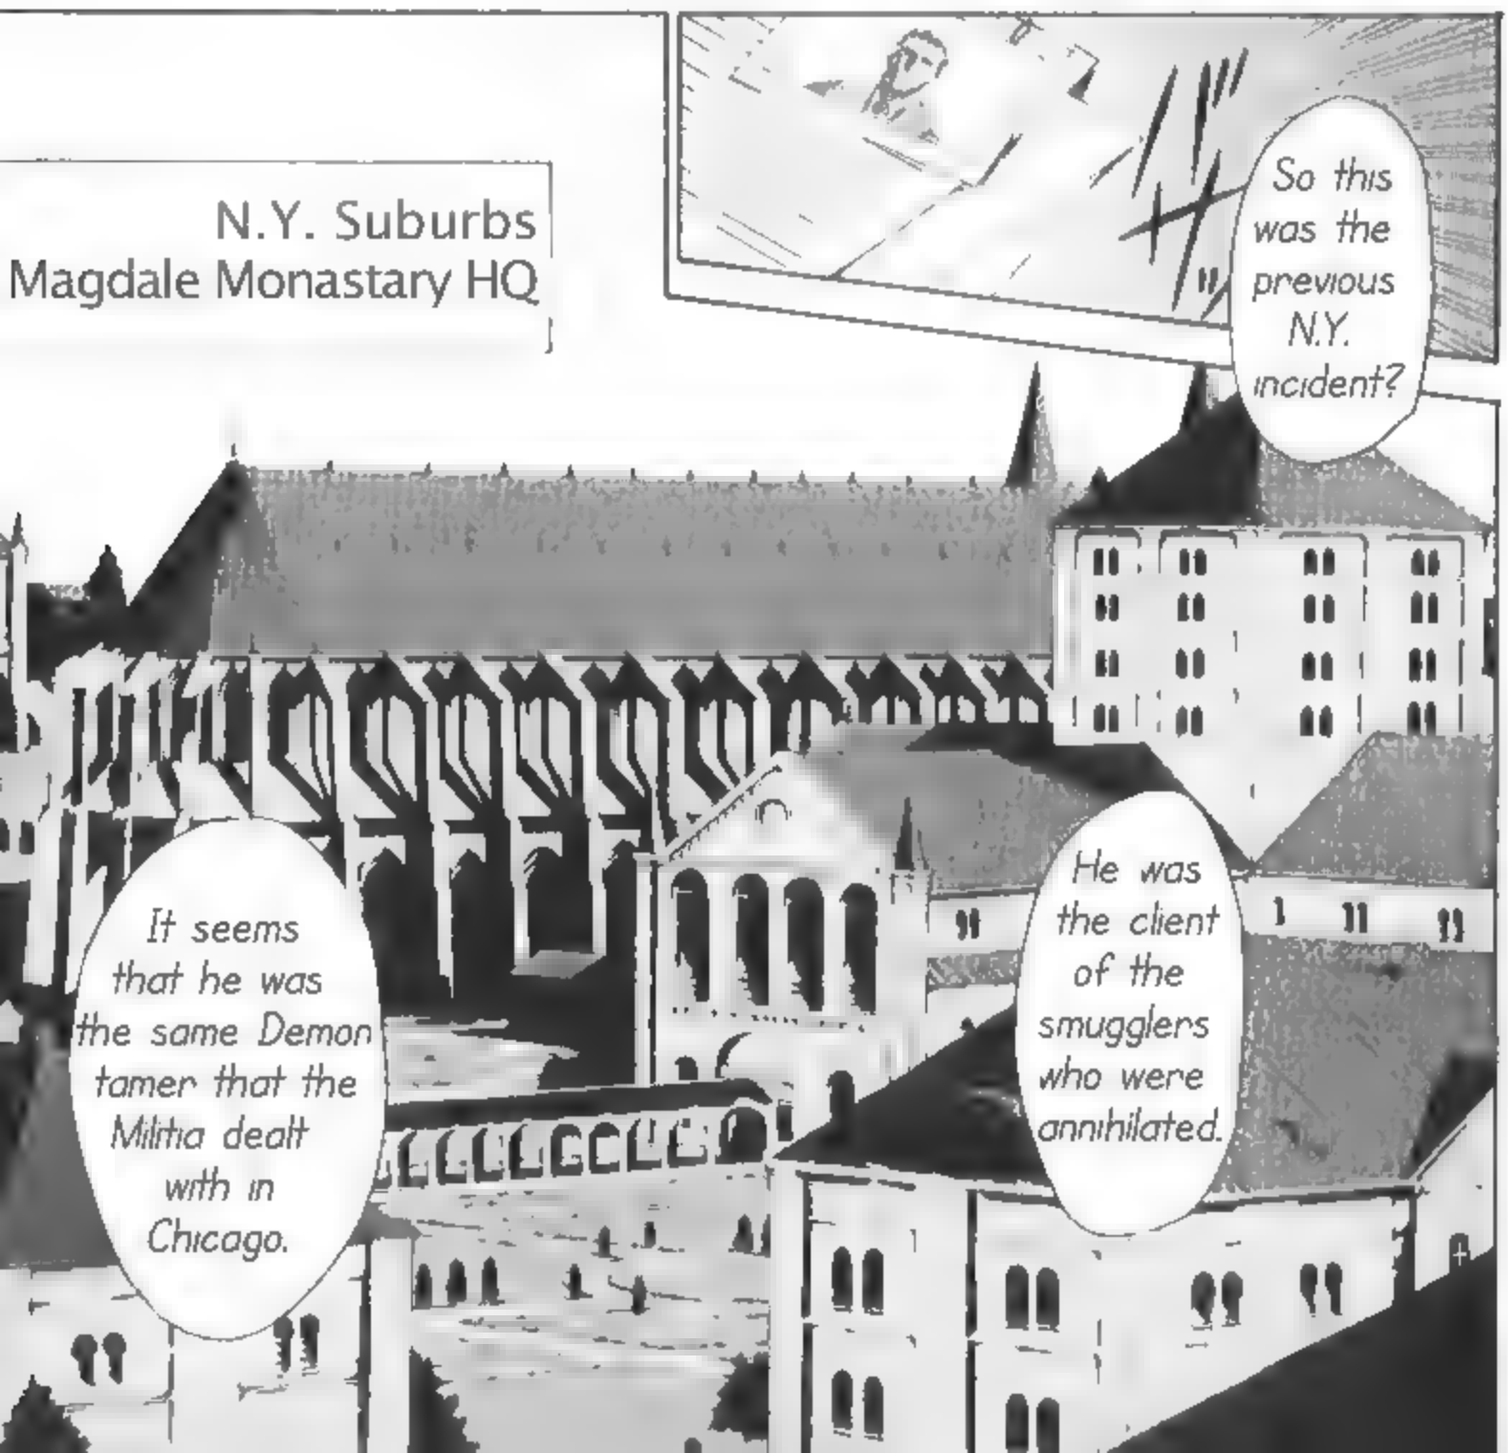
Grr..
It's tougher than yesterday..
Rosette! Can you hear me?! Finish it off!
Huh?! Where? Where are you?!
Chrno!!
I can't hold on much longer.
There!
But I'm out of ammo! I haven't re-supplied!

AMEN!
Can't... hold on....
I pity you for being awakened by human circum-stance.
I'll make sure you're at peace now..

What was that monste...
...the heck happened to you?!
Well.. You see...
What incredible powers.
So that is his true
Geeze. talk about bad luck.
True.
...

10 years ago... That demon was...
Still... I've not heard your response yet.
Deep, deep within a grave...
For 50 years...
I was asleep.
.....
.....
He woke up 4 years ago.
If it was 10 years ago, you've got the wrong guy...
I'm the one who woke him, so...
You... believe in him?
Not sure what's going on.

Of course!
Ah...
I guess... it's back to the drawing board...

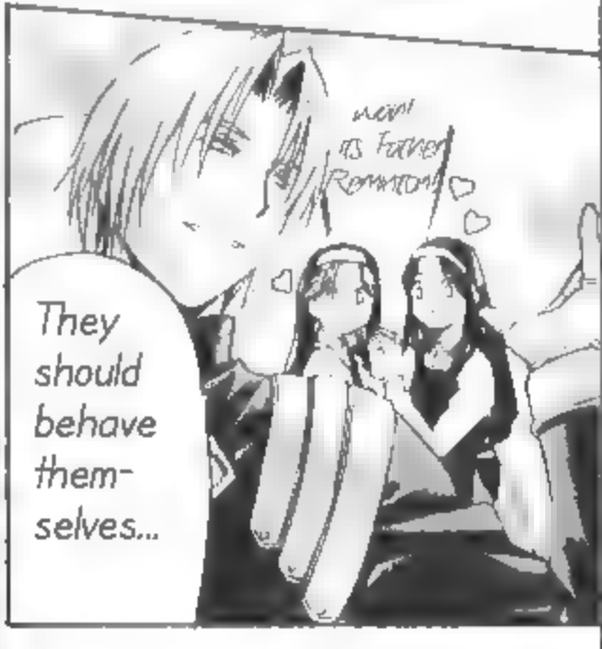


N.Y. Suburbs
Magdale Monastary HQ
So this was the previous N.Y. incident?
He was the client of the smugglers who were annihilated.
It seems that he was the same Demon tamer that the Militia dealt with in Chicago.

According to the report, it seems that they were going to use it as a soldier for the "family".
The gang's accountant, huh?

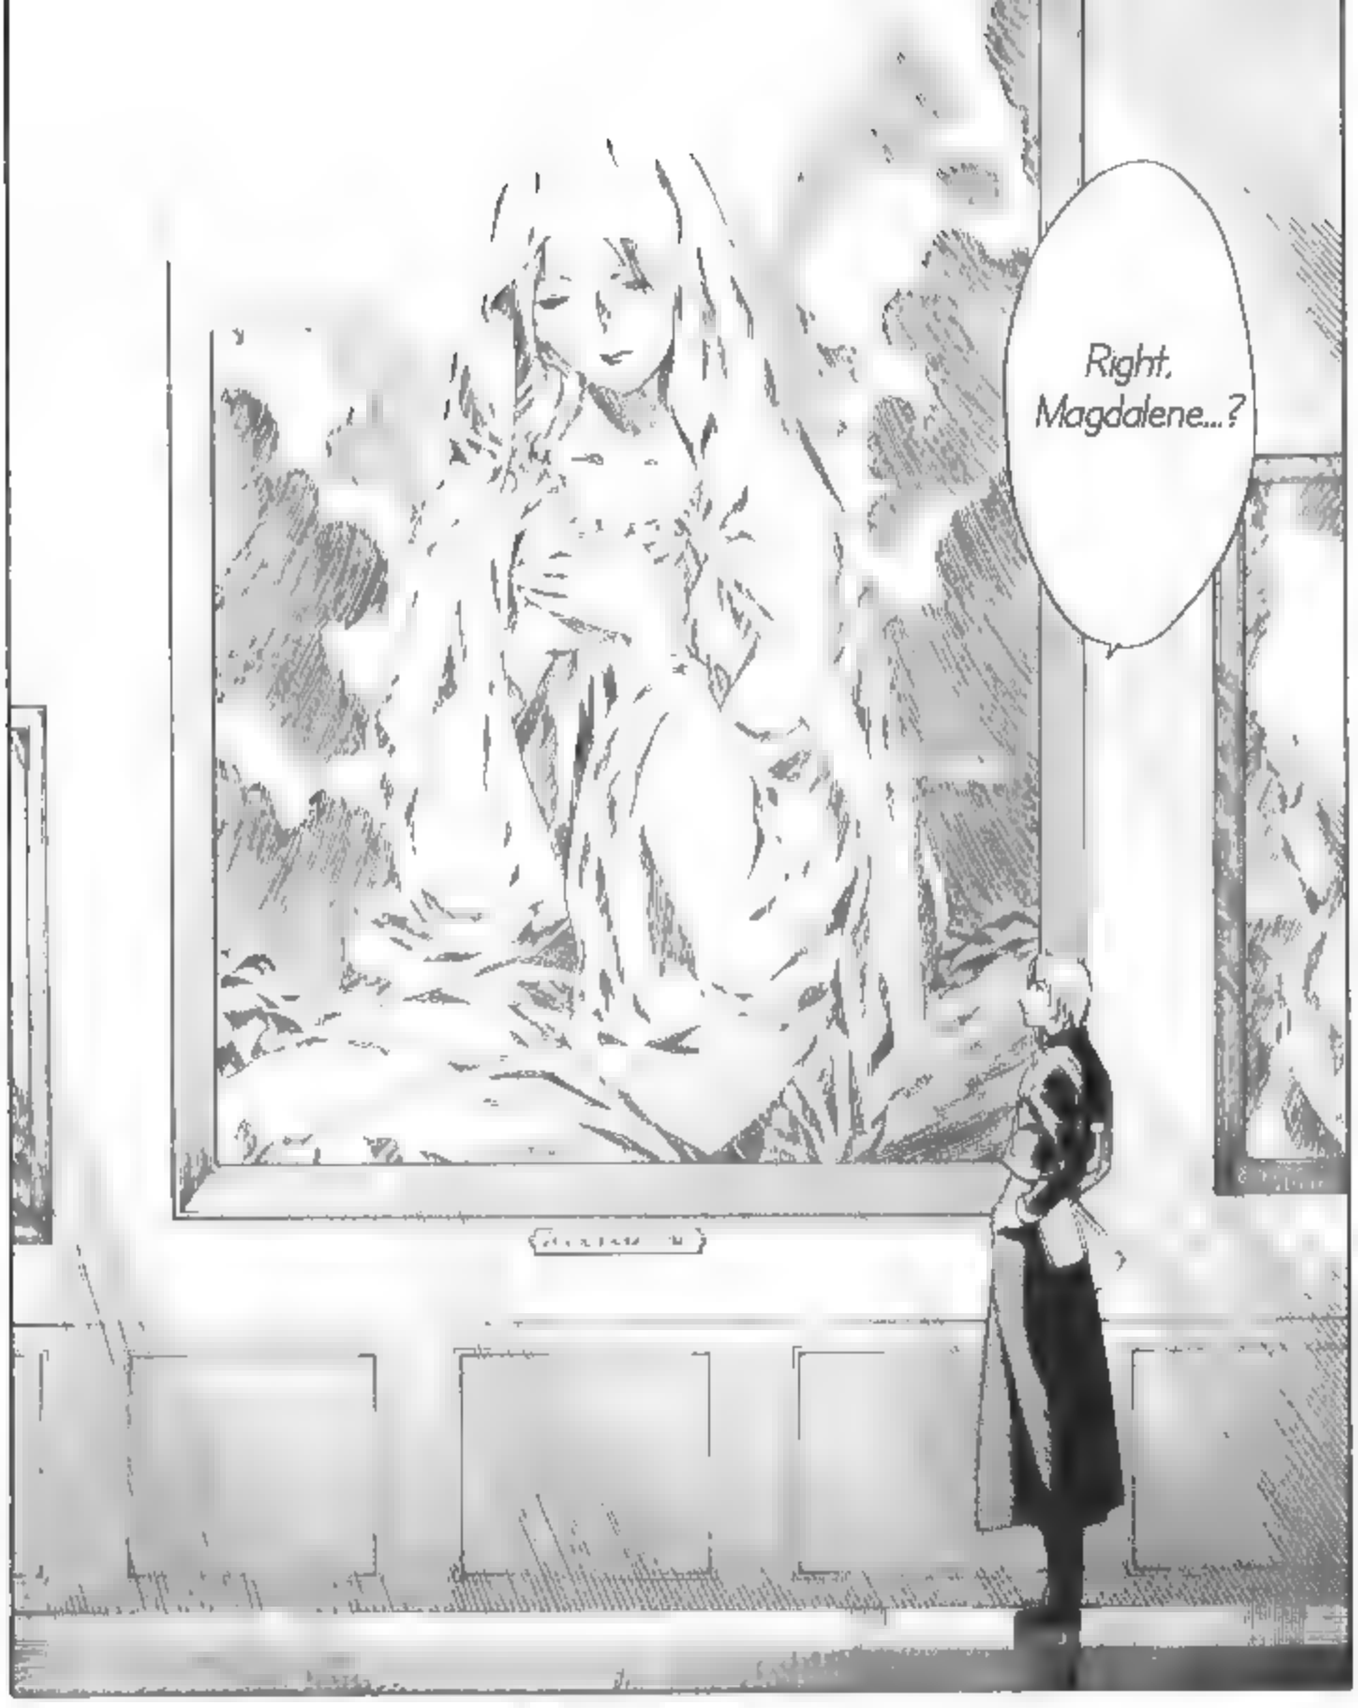
"They" are already overwhelming for humans to handle...
I wish that they didn't bring their troubles to "us".

As should you...
Yes. I'll behave...



They should behave themselves...

Roger. I'll go and investigate. Geeze, you make me work a lot.
There might be other Demon Tamers or demons taking part in this mess.
Hopefully.
But that means that this case is closed...
That's a major problem...
The demons are using the smuggling network to get into this nation...
Since the World War, the "evil" has greatly increased in this nation...
What will happen further on...
...was probably obvious to you...



Right, Magdalene...?
